FIFTEEN CENTS

A ROCKET SOARS into the sky at the Antioch Upper Grade School as part of a science class project. On Tuesday, Wednesday and Thursday of last week, the models built by students left the launch pad at the rate of 70 or 80 a day. Some reached heights of more than a half-mile before returning by parachute. The rockets were built by students of Paul Epner, science teacher, wearing white T-shirt.

Chamber's Shopping Spree Set

The Antioch Chamber of Commerce and Industry Retail Committee will sponsor its 2nd annual "Shopping Spree" from Thursday, June 10, through Saturday, June 19.

Coupons will be printed in next week's edition of this paper and will also be available from participating stores.

Coupons can be deposited at any participating store with no limit on the number deposited by any entrant; however, no one under 18 years of age, or store employees or their relatives will be eligible for prizes. There also will be a limit of one prize per family.

After June 19, the coupons will be collected, a drawing will be held, and the following prizes awarded:

Grand Prize: \$250
Two-First Prizes: \$100 each.
Second Prize: \$50.

All prizes will be awarded in the form of \$5 gift checks redeemable in any participating store for merchandise or service.

Winners will have until Nov. 15th, 1976, to spend their prize money.

Merchants planning to participate in the Shopping Spree include:

Ace Hardware, Antioch Drugs, Ashland Jewelers, B-J's Fashions for Men, Barnstables Dept. Store, Ben Franklin Family Center, Erickson's Sewing Center, Foremost Liquor Store, Four Squires, Gibbs & Jenssen's Carousel, Globe Department Store, Hahn Jewelers, Sears Roebuck & Co., Shoe Box Family Shoe Center, Stanley's Men's Fashion and the State Bank of Antioch.

2 Fires in Half-Hour, Possibility of Arson

The Memorial Day weekend wasn't much of a holiday for Antioch's volunteer firemen. They didn't get much sleep.

The fire fighters answered three calls between 11 p.m. Sunday and 5:26 a.m. Monday.

Chief Charles (Tod) Mapletorpe said there was a possibility of arson in two fires early Monday morning.

At 5:04 a.m., a fire was reported at the Trilogy Amusement Shop, 391 Lake St. Thirty firemen and two trucks limited the damage to the front of the building. Nothing inside was damaged.

The building is owned by Charles Cermak and the amusement shop is managed by Ray Nowak.

Chief Mapletorpe said someone apparently put a bottle of flammable liquid, with a wick, by the front door and then ignited it.

He said the evidence has been sent to the Northern Illinois Crime Lab in Highland Park. Antioch police and the state fire marshal are investigating.

Antioch's police chief, Jack Wells, said the police are investigating the case.

Police Search For Abductor Of Woman

Antioch, Lake County and Kenosha County police are looking for a man in his early 20s who abducted and terrorized a 29-year-old woman last Thursday night.

The woman reportedly was alone in the work area of a factory in the Antioch industrial complex when the man entered through an open door.

Police said there had been reports of a loiterer in the area and that it might be the same man.

Antioch Police Chief Jack

Wells said the woman was forcibly removed from the building while working at her factory job on the night shift. The young man reportedly seized her from behind and dragged her to his car.

The woman said her assailant struck her with his hands,

kicked her, pulled her hair and choked her as he forced her into the car. He then drove west in Antioch Township and told her he had a gun.

The woman managed to open a door and tumble from the moving car. While she ran along Hy. 173, she said, the man tried

to run her down but she managed to elude him and reach a house in Felter's subdivision, from which she called police.

The woman, who lives in Kenosha county, has been hospitalized since the incident. She was injured when she jumped from the moving car.

"We are working on this case very intently," said Chief Wells. "Because the woman made her phone call from the county, two sheriff's detectives also have been assigned to the case."

The Cunningham firm has been a consistent donator of trucks for paper drives and other scout project.

District 34 Pupils Need Physical Exams

Antioch Grade School District 34 reminded parents last week that it is a state law that all children going into kindergarten, fifth, and ninth grades, must have a physical examination and certain immunizations before they can enter school.

The physical examination must be given no longer than six months before school starts. If a parent signs a statement objecting to the physical examination and immunizations on constitutional grounds, the child may enter school.

In the past the district has permitted children to enter

school and have their physicals later, but each year it has spent many hours of nurses, secretaries and administrators time trying to get that small percentage of parents to fulfill their legal obligation.

This coming year no kindergarten or fifth grader will be permitted to enter school without a doctor's statement of a physical examination within the prior six months. There are two exceptions to the above statement:

1. That the child is new to the district since school was out in the spring
2. That the parent sign a constitutional objection statement.

"As far as we know now, there will be no physicals given in the schools this summer," said Henry C. Meyer, superintendent of District 34.

2 Injured In Crash

Two Lake County men were injured last Wednesday when their car left the road and struck a tree on 264th Ave., in Salem Township.

Frank J. Grego, of Rt. 5, Box 199, Antioch, the driver, suffered head and chest injuries and multiple lacerations. His passenger, Mark E. Cashman, of Lindenhurst, sustained head and chest injuries. Both were taken to Kenosha Memorial Hospital.

In another accident, Danny Hoblit, 22, of 156 Park Place, Grayslake, was injured on Tuesday night of last week when his car veered off Rt. 132, east of Cedar Lake Road, Lake Villa, and traveled through Cedar Lake Park, hitting a fence and knocking over picnic tables and benches before striking a tree.

Hoblit was admitted to St. Therese Hospital in satisfactory condition.

Police said he apparently fell asleep before his auto left the road. The car was demolished, they said.

Fires

Continued from page 1

Wells, said he was working on the case with Roger Sutton, arson investigator for the state fire marshal's office.

While at the amusement shop at 5:26 a.m., the firemen received word of another fire at the Brass Corner tavern, on Grass Lake Rd. at Rena Ave. Four pieces of fire-fighting equipment were immediately dispatched to that scene, where the damage to the building and contents was heavy.

William E. Johnson, the owner, was asleep in the building when the fire started, but his dog woke him up and he got out safely.

Chief Maplethorpe said there was a possibility of arson in that fire too, and that the case is being investigated by the state fire marshal.

Only six hours earlier, at 11 p.m. Sunday, the Antioch firemen were called to Timber Lake park to extinguish a fire inside a trailer. They kept the damage to a minimum.

The fire chief said two persons were trying to light a stove when an explosion was caused by a gas leak.

The people suffered first degree burns, were treated by the Antioch rescue squad and said they would see their own doctor for further treatment.

At 7:55 a.m. Monday there was a false alarm on Linden Lane, and at 11:23 a.m. last Thursday the Antioch firemen put out a blaze in a garbage truck on Pine Lodge Rd. There was no damage.

The volunteer fire department has now answered 95 calls in the first five months of this year.

Rev. Fosmark Resigns From Teaching Job

The resignation of Rev. Bernard Fosmark was accepted by the Antioch High School board of education at its meeting last Thursday.

Rev. Fosmark plans to devote full-time to his duties as pastor of the Antioch Evangelical Free Church. For the past 16 years he has taught English at the high school and recently has been chairman of the English department.

The school board also okayed an agreement with the village of Antioch to use the high school's running track from 6 to 8 p.m. on Tuesdays from June 14 to Aug. 6.

The board also approved the use of the high school baseball field by the Babe Ruth, Pony and American Legion teams.

Joyce Murphy was hired for the 1976-77 school year in English. Also approved was the hiring of Joyce Czajkowski for 1976-77 in home economics.

The board approved the purchase of a tractor from Olson Implement Co. to replace a 14-year-old tractor. The cost is \$5,860.

The district will purchase sod and a landscaping rake to resod portions of the practice football field.

The board approved summer school music activities, including summer music camp and an instrumental concert and marching program, highlighted by participation in the Minneapolis Aqua-tennis celebration.

BARRY GOLDWATER

Propaganda Tool Of the 'New Left'

By SEN. BARRY GOLDWATER

Americans should be careful what drummer they follow in celebrating the nation's Bicentennial. Some promoters are not at all what they seem.

In the confusion over America's Bicentennial celebration plans, one organization has attracted unusual attention and its motives are open to question. In fact, a Senate judiciary subcommittee has accused that organization - the People's Bicentennial Commission (PBC) - of an attempt to steal the entire celebration.

The People's Bicentennial

Commission got a lot of favorable publicity when it was first established because it claimed to place its emphasis on educational activities and announced strong opposition to commercialization of the Bicentennial. This sounded good, and the resulting publicity caused many Americans to confuse the PBC with the government's official Bicentennial organization.

THE DIFFERENCE is the PBC is a private organization which is so far to the political left that its heroes include such luminaries as Fidel Castro and Mao Tse-tung.

The government's official organization is called the American Revolutionary Bicentennial Administration. The Senate subcommittee conducted an extensive investigation of the PBC and found the following information:

- In April, 1975, the PBC was responsible for a disorderly counterdemonstration which heckled President Ford and marred commemorative proceedings at Concord, Mass.

- The PBC has sent 8,000 cassette recordings to the wives of corporate executives. The message told the wives about corporate scandals and urged them to cross-examine their husbands about criminal activities in which they might be involved.

- In addition, the PBC has sent letters to thousands of secretaries of corporate executives, offering a reward of \$25,000 to any secretary who would provide information leading to successful prosecution of her boss.

THE ATTEMPT by the PBC to preach about these moral issues is nothing short of ridiculous. But more important is the realization that this is a blanket smear of American businessmen. The very purpose of the PBC is to condemn business and to sell to the public the idea that the capitalist system is corrupt.

The subcommittee found that PBC is nothing but a propagan-

Commentary

Arsonist in Antioch?

Police and fire officials feel that an arsonist possibly is loose in Antioch.

There were two fires just after 5 o'clock Monday morning. The one at the Trilogy arcade, on Lake St. in the downtown area, definitely looked like the work of an arsonist ... and there are suspicions about the blaze that broke out a half-hour later, several miles away at Brass Corners on Grass Lake Rd.

The subject of arson will be discussed on television Sunday, on Channel 2 from Chicago.

Bill Kurtis and Walter Jacobson report on the growing threat of arson; from 10:30 to 11 p.m. on WBBM-TV, Channel 2.

Arson is one of the fastest growing crimes in America. It not only destroys property, but often causes death.

In this "Two On 2" report, Jacobson interviews a professional arsonist and discusses the arsonist's motives, the high profit margin and the low prosecution risks.

Also shown are arson investigators from the State Fire Marshal's office and the Chicago Fire Department as they conduct an arson investigation.

The Town Crier

IT JUST WON'T seem the same when we switch to the metric system and the Indy "500" becomes the Indianapolis 804½ kilometers.

The Time Machine

70 YEARS AGO: MAY 31, 1906

Asleep on a table in a gambling den in Waukegan, on Saturday night, getting up at two o'clock Sunday morning to leave, John Mardo fell over a railing in the rear of the joint, forty feet into the ravine below, rupturing his lungs so that he died in fifteen minutes after being found.

Judge Orrin N. Carter, the Republican candidate for the Supreme Court, is one of the present judges of Cook County, and is one of the brightest judges on the bench today. Let everyone who can turn out and cast their vote for him, thus adding to the Supreme bench an able, upright and honest man.

50 YEARS AGO: JUNE 3, 1926

On the rolling country-side adjoining Bluff Lake is one of the prettiest 18-hole golf courses in this section, Chain O'Lakes, and while the course was opened a year ago at this time, those who have played over the route claim it is already one of the keenest in this section. Buck Weaver, former club maker at Glen Flora, is pro at Chain O' Lakes.

The summer Soo Line train schedule between here and Chicago will go into effect Monday with the early morning train making its first run at 5:44 a.m., returning at 6:15 p.m. This is a daily train. On Saturdays and Sundays special trains will run between here and Chicago during the summer.

The advance opening of the Channel Lake pavilion by the Antioch Volunteer Firemen was well attended. Over 1,200 were in the hall on Saturday night and on Sunday more than 2,800 filled the floor space for dancing.

Advertisement: 666 is a prescription for colds, grippe, flu, dengue, bilious fever and malaria. It kills the germs.

20 YEARS AGO: MAY 31, 1956

Antioch High School officials have announced that the teaching staff is nearing completion for the 1956-57 school term. The new staff members added to the system are: Miss Patricia Board, English; Miss Nancy Denby, English and mathematics; Mr. Kenneth Smouse, English and vocal music; Miss Karen Brand, English and girls' physical education; Mr. Ward Lear, business education; and Mr. William Baird, history and sophomore football coaching.

10 YEARS AGO: JUNE 2, 1966

The 51-day strike of heavy equipment operators ended Monday. The strike had held up work on roads, water and sewer projects, and various other construction and affected 12 northeastern Illinois counties including Cook, Lake and DuPage.

Loses 116 pounds

ANTIOCH FIRE FIGHTERS used their axes to chop holes in the roof of the Brass Corners grocery store and tavern which burned on Grass Lake Rd. early Monday morning. The building and its contents were heavily damaged. (Story on page 1.)

PETER J. CLEVEN

Clevon Treasurer Of County Bankers

Peter J. Clevon, vice president and cashier of the First National Bank of Antioch, was elected treasurer of the Lake County Bankers Federation at its May meeting.

The federation is comprised of 33 member banks in Lake County and is designed to keep bankers up-to-date on activities and problems affecting the county. The federation is the grassroot structure of the Illinois Bankers Association.

Mr. Clevon is also an active member of the Antioch Lions Club, American Institute of Banking and the Bank Administration Institute.

Statistics Indicate Job Outlook Good In Some Fields

If you're trying to decide what career to pursue, the Department of Labor has news for you.

According to the Department's Bureau of Labor Statistics (BLS), employment of professional and technical workers is expected to continue growing faster than that of any other major occupational group.

The growth of jobs for these workers—expected to reach 17 million in 1985 compared to 11.5 million in 1972—is more than one and a half times the increase forecast for all occupations combined.

BLS labor economists explain that as the population continues to be concentrated in metropolitan areas, more professionals will be needed to solve technical problems such as environmental protection, urban renewal and mass transportation. More jobs will be created as a result of continuing growth of research in the social sciences, and because of growing demand for professional workers to develop and use computer resources.

Burglar Breaks Into St. Peter's

St. Peter's church was broken into last Saturday night and cases of vandalism also have been reported to Antioch police.

Pastor Francis Johnson of St. Peter's showed police that entry was gained to the church basement by a person breaking windows. The intruder apparently cut himself, because there were blood stains in the area.

Once inside, the burglar broke a door to get upstairs and then attempted to pilfer a votive collection box. It was undetermined whether or not he was able to steal any money.

A woman watching a minor league baseball game in Antioch reported that two tires were slashed on her car while it was parked near the Lower Grade School.

Vandalism also was reported at the Antioch swimming pool, where someone broke in Sunday night. A \$40 water tester was

broken and other items were scattered throughout the shower and concession areas.

In other incidents, windows were broken at the Antioch Deli restaurant on Lake St. and at

Pittman Motors on Depot St.

The Transend Co., at 861 Anita, reported that someone broke into its factory area and stole 25 payroll checks and some tools.

Emmons Students Graduate Friday

The Emmons Grade School will hold its graduation exercises on Friday at 7 p.m.

Mr. Warren P. Polley, superintendent of Antioch High School, will be the guest speaker.

Invocation and benediction will be given by Rev. Francis Johnson of St. Peter's Church, and the welcome address by Mr. Richard Becker Sr., a school board member.

Superintendent John Kakacek said the graduates are:

Gary Becker, Nancy Ann Blanchette, David Berchtold, William Buckmaster, Daniel

Carney, Robert Ciecholinski, Jean Marie Cilik, Denise Connolly, Michaelle Ann Del Peschio, Jerry Drije and Laura Jo Dubek.

Also Deborah Duha, Susan Dyer, Diane Grohs, Robert Houvener, Christopher Kemp-ski, Robert Lech, Ronald Nauman, Kenneth Nevitt, Margaret Noonan, Michael O'Brien, Alice Ann Prather, Sandra Dee Rapp, Kurt Selak, Tamara Splayt, Jay Turney, Denise Jo Varney, Norman Wallace, Timothy A. Webb, Regina Mae Whisler, James Wilson, Phillip York and Leslie Zakis.

"MOST VALUABLE ATHLETES" at Antioch High School were honored last week when the Lions Club held its annual athletic banquet for the young men and women. From left: Jon Bodin, representing the baseball team; Bob Dubek, most valuable in cross-country; Lou Henson, University of Illinois basketball coach who was guest speaker; Scott Kimball, basketball; Pat Houghton, golf; Cliff Houghton, president of the Lions Club, and Greg Nordstrom, wrestling.

ANTIOCH HIGH'S GIRL athletes also were honored at the Lions Club banquet. They posed with Illinois basketball coach Lou Henson and Lions Club president Cliff Houghton. Winning most valuable player awards were Margaret Bessette in field hockey; Lee Ann Kmiecik, tennis; Chris Wix, volleyball; Barbara Quinn, bowling; Lu Ann Oddsden, basketball, and Cindy Brown, gymnastics.

346 Graduate Sunday From High School

Antioch Community High School's 346 graduating seniors will receive their diplomas in the annual commencement program at the school at 3:30 p.m. Sunday.

A baccalaureate program will be held at 7:30 p.m. Saturday in the school's north gymnasium.

At Sunday's commencement, the school's band, directed by John Olisar, will provide music for the processional.

Rev. Philip O. Laurin of St. Stephen Lutheran church will give the invocation, and the school's a capella choir, directed by Ralph Brooke, will sing.

Bette M. Meyer, secretary of the school district's board of education, will present valedictorian and salutatorian awards, and then Principal Arthur E. Blecke will introduce student speakers.

They will be Greg Mieux, student council president, and Phil Toal, senior class president.

Superintendent Warren P. Polley will present the graduating class and Robert M. Lindblad, president of the school board, will present diplomas. Names of graduates appear on page 11.

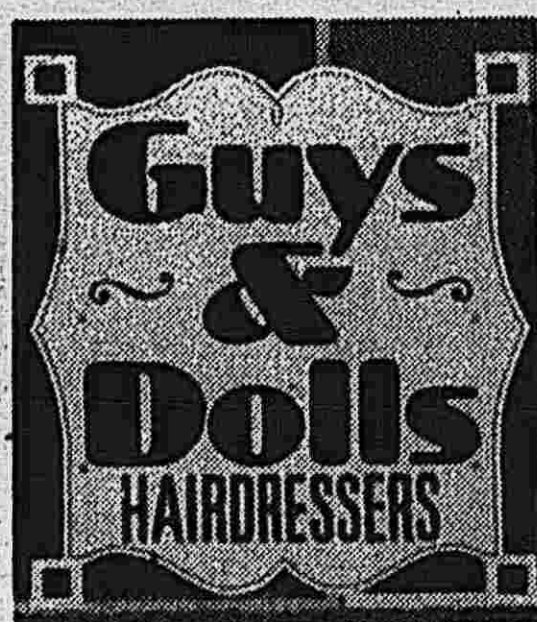

Also participating will be the high school color guard.

AT SATURDAY night's bac-

calaureate, music will be provided by pianist Ingrid Lindberg and the high school's Madrigal Singers.

Mr. Blecke and Mr. Polley

will give brief talks and Rev. Stephen W. Williams of the United Methodist Church will give a baccalaureate address titled "Religious Connection."

CLC and England Exchange Instructors

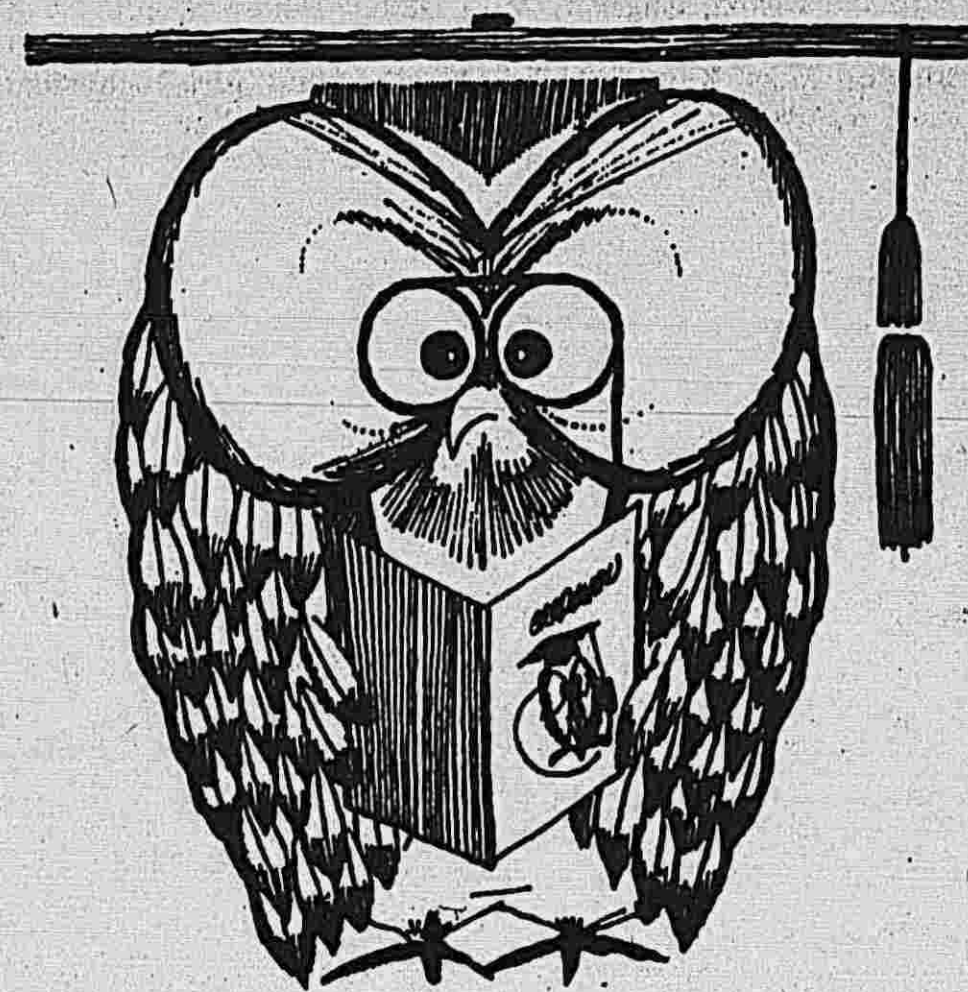

Two College of Lake County instructors will teach in England during the 1976-77 academic year as part of a program sponsored by the U.S. Department of Health, Education and Welfare.

Toby Ward, Gurnee, and Richard Meginniss, Grayslake, have been selected by the Board of Foreign Scholarships to participate in the U.S.-United Kingdom mutual educational

exchange program.

Starting in late August, Ward will teach physics at the City of Bath Technical College. At the same time, Meginniss will begin his tenure with the Oxford College of Further Education as an instructor in anatomy, physiology and animal biology.

Their English counterparts, Frank Finney and John Inglis, will join the CLC faculty in these respective fields.

ANTIOCH'S RAINBOW GIRLS have installed new officers. Seated (from left): Bonnie Kaspar, installing officer from Millburn; Louise Kutz, elected worthy advisor; and Joyce Weatherford, installing marshal from the Litchfield assembly. Standing (from left): Darcy deVore, past worthy advisor of the Antioch assembly; Carol-Lynn Monson, past worthy advisor from Millburn, and Richelle Radke, installing chaplain from Antioch.

ELECTED TO OFFICE in the Antioch Order of the Rainbow at the Masonic Temple were (from left): Diane Walsh, worthy associate advisor; Jenny Beese, faith; Louis Kutz, worthy advisor; Laura Geisler, charity, and Lori Burns, hope.

JUNE 7-13, 1976

Rain blesses and refreshes.

Weed your garden after a rain... Jack Johnson died June 6, 1946... Full moon June 11... Early sunrises now... Average length of days for the week, 15 hours, 15 minutes... Phonograph patented June 13, 1863... First U.S. bank June 7, 1791... One joy scatters a hundred griefs.

Ask the Old Farmer: In the old days I used to eat a lot of so-called "stove pipe" potatoes. But I never knew what the term meant. Can you enlighten me? S.E., Denver.

Potatoes small enough to be drawn up in the draft.

Home Hints: A steam iron will last longer if you use mineralized or distilled water in it.

OLD FARMER'S WEATHER FORECASTS

New England: Intermittent rain and warm throughout first part of week; heavier rain and cooler latter part.

Greater New York-New Jersey: Cloudy and cool to start, then warmer; thundershowers latter part.

Middle Atlantic Coastal: Intermittent showers through midweek; rainy on weekend.

Piedmont & Southeast Coastal: Rain through midweek, light in northeast; scattered showers and warm end of week.

Florida: Week begins with showers, then becoming hot and sunny; week ends with rain and somewhat cooler temperatures.

Upstate N.Y.-Toronto & Montreal: Early week partly sunny, then rain; latter part mild in east, turning cool in west.

Greater Ohio Valley: Hot at first, then heavy rain and cooler by midweek; cloudy and seasonable latter part.

Deep South: Fairly heavy showers throughout most of week, some sun over the weekend.

Chicago & Southern Great Lakes: Sunny and hot early in the week, then becoming milder; some scattered showers throughout.

Northern Great Lakes: Rainy with normal temperatures to midweek, then sunny; some rain at end of week.

Central Great Plains: Rainy all week over region; heavy showers in north to central to midweek, moving to east latter part and scattered in west.

Texas-Oklahoma: Early week sunny and hot; some rain in north and east end of week.

Rocky Mountain: Clearing and hot in south at beginning, then light rain and cool in central and north; clearing and hot latter part.

Southwest Desert: Partly cloudy and slightly below normal temperatures to midweek; rest of week clear and hot.

Pacific Northwest: Light rain and cool temperatures to midweek; clearing and very warm latter part.

California: First part of week cloudy in south, some clearing and warmer in north; light rain on weekend.

(All Rights Reserved, Yankee, Inc., Dublin, N.H. 03444)

Special Meeting At Rebekah Lodge

By SHERENE JONES

The 34th semi-annual Rebekah district association No. 3 meeting was held at the American Legion Hall last Thursday.

Shirley Glenn, noble grand, opened the special meeting of Lakeside Lodge.

Mary Ellis escorted Zella Larson, district president, to her station for the opening of session.

Sister Larson welcomed members from Antioch, Highland Park, Waukegan, Crystal Lake, Libertyville and other lodges throughout the state.

Dorothy Vietch seated the other district officers.

The address of welcome was given by Shirley Glenn, with the response by Eugenie Strand of Libertyville.

Bernice E. Wood, president of

the Rebekah Assembly of Illinois, was presented by the assembly marshal, Pearl Shanloff.

Ida Wysoglad presented Zella Larson's guest of honor a very surprised Lorna Buchard.

Dinner was at St. Ignatius church and evening sessions included a drill by composite of 18 members of the district. The ladies were dressed in white, with red and blue capes and white gloves.

Winifred Davidson, drill captain, is to be commended for her hard work.

Hortense Gordon, a member of the Lakeside and a former resident of Antioch now residing in Florida, made the trip especially for the meeting.

The "Spirit of '76" theme was represented in the decorations at the hall and dining place.

Susan Ford Coming To GOP Dinner

Susan Ford, the president's daughter, will be present at the Lake County Republican Federation Dinner with Secretary of Commerce Elliot L. Richardson, who will deliver the major address.

Interest in the Lake County Republican Federation Dinner this Friday "has been markedly stimulated," said Federation president Michael Cudahy.

The dinner will be at 7:30 p.m. at the Holiday Inn, Mundelein. Richardson will hold a press conference at the restaurant at 6 p.m. and a social hour will also begin at 6.

Richardson's subject will be "Where We've Been and Where We're Going". His new book, "The Creative Balance", will be published next Monday.

Congressman Robert McClellory (R-Lake Bluff), who arranged for the appearance of Miss Ford, will introduce Richardson. Dinner chairman is David Amory of Lake Forest.

The \$100 and \$20 dinner tickets are being sold by Federation board members, the Lake County Republican central committee, Republican clubs and at the Republican Federation headquarters, 7 N. County St., Waukegan, (phone 623-0235). Dinner and dancing are on the program.

The event will do more than generate funds for the GOP election campaign in Lake County this fall, said Cudahy.

"It will kindle greater enthusiasm in the hearts of all devoted to the Republican cause," he said.

Company Celebrates, U.S. Gets Woodlands

Union Camp Corporation, as part of its Bicentennial celebration, has donated a South Carolina barrier island to the Nature Conservancy.

The Conservancy immediately transferred 1,700 acre Turtle Island to the state of South Carolina. The State Wildlife and Marine Resources Department will use the land, valued at more than \$400,000, as a wildlife management area.

The forest products company plans to donate a number of their selected lands similarly. Last year the company completed the donation of 50,000 acres in the Dismal Swamp in North Carolina and Virginia, a gift valued at \$12.6 million.

LAKESIDE REBEKAH LODGE of Antioch entertained the 34th semi-annual district meeting here last week. Seated (from left) were Agnes Ferris, Lorna Buchert, Shirley Glenn

(noble grand), Ida Wysoglad (vice grand), Louise Hagen and Zella Larson. Standing from left: Sherene Jones, Mary Ellis, Clare Horton, Eva Fields, Addie Horton and Val Talbert.

THE PRESIDENT of the state assembly of Rebekah Lodges, Bernice Wood (right), came all the way from Flora, Ill., to attend the district meeting in Antioch. She posed with Zella Larson of Antioch, president of District Association No. 3.

Doughnut Day Backed By Antioch Clubs

Mrs. Phyllis A. Bucar of the Antioch Woman's Club will serve as chairman and Mrs. Esther Aioni as co-chairman for the Antioch Salvation Army Doughnut Day effort on Friday.

The Woman's Club has adopted Doughnut Day as an official project.

Mrs. Aioni will represent the American Association for Retired Persons, which also is supporting the project.

More than 8,000 volunteers will sell familiar paper doughnut tags on street corners in Chicago and suburban communities. The income goal for the 1976 Doughnut Day is \$200,000. The funds will help benefit the anticipated 1.6 million women and children in the area who will be helped during 1976 through the social welfare services provided by the Salvation Army.

BICENTENNIAL BRIEFS

SAFETY TIP

It's a glaring error to overlook the many dangers of fireworks during the Bicentennial Year. Celebrations will bring about an increased use, with many licensed public displays and more children playing with fireworks.

The Better Vision Institute points out that many serious eye and body injuries, including blindness, are reported as a result of fireworks after each July 4. Although some 22 states ban fireworks, contraband fireworks often cross state lines. In the interest of eye and body safety, many organizations have urged federal regulation of fireworks. The Better Vision Institute urges all Americans to remember that vision—like freedom—is a precious gift.

The style of an author should be the image of his mind, but the choice and command of language is the fruit of exercise.

County Fair Queen Pageant Is Planned

The 1976 Lake County Fair will be held in Grayslake Wednesday, July 28, through Sunday, Aug. 1.

As in past years, a queen of the fair will be selected and she will preside over many of the activities during Fair week and represent the Fair at special events during the coming year.

According to Richard Raftis,

1976 committee chairman, queen contestants will be invited to the initial judging on Monday, July 26, at 6 p.m.

The judging will be conducted at the Farm Bureau auditorium on Hy. 45 near the Fairgrounds.

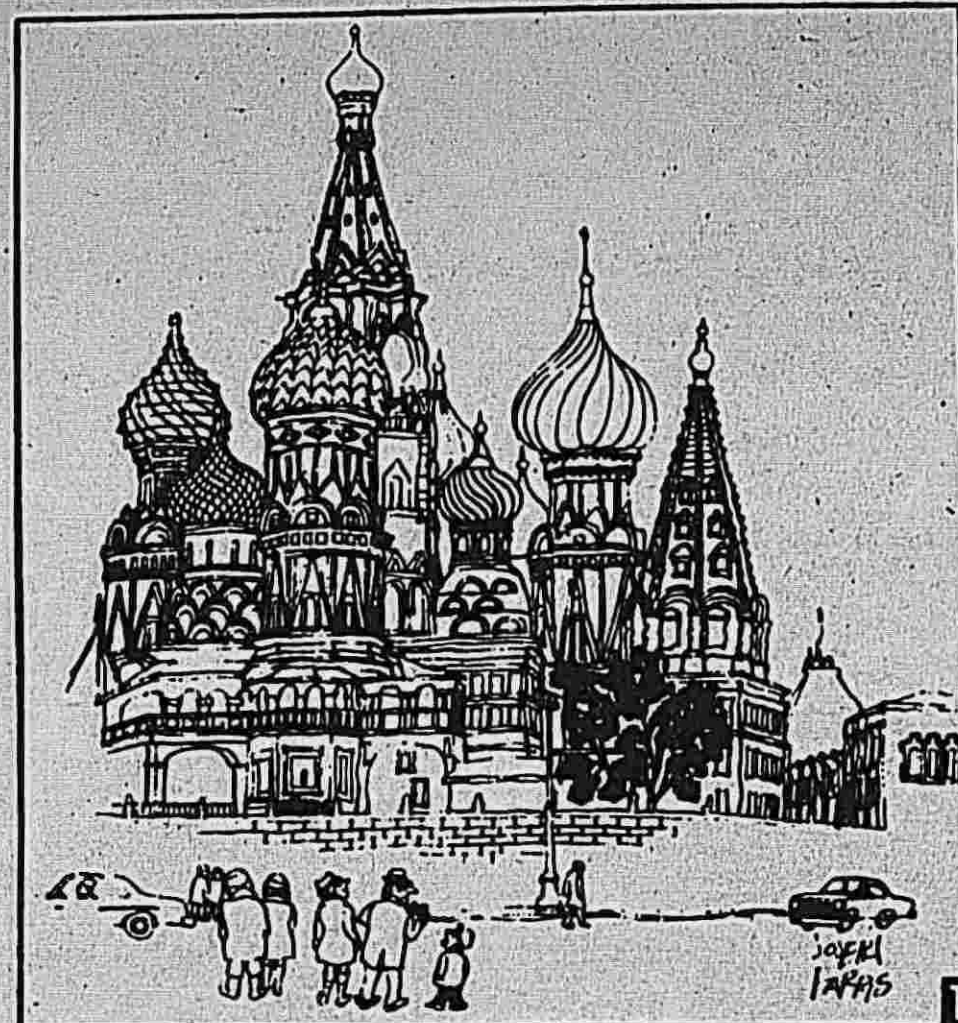

The contestants will be introduced individually by Mary Kay Kriese, 1975 Fair Queen. Contestants will be asked to model for the judges and give a one to three-minute resume on school activities, hobbies, family background and future goals.

On Tuesday, July 27, the 15 semi finalists selected from the original group of contestants will be invited for a personal interview. After the interview the girls will be judged in swimsuits and evening gowns. Immediately after the judges score-sheets are tallied the seven finalist will be announced.

Wednesday evening will con-

clude the judging. After the annual Fair dinner the seven young ladies will be introduced and escorted to the stage. Individually the finalists will be called to center stage and asked to respond to an impromptu question drawn by the contestant. The question will conclude the judging and at approximately 9 p.m. at the stage near building No. 57 on the Fairgrounds, Miss Lake County for 1976 will be announced.

Mr. Raftis is encouraging parents, friends and the public to attend the judging and crowning. Entry forms and qualifications may be obtained by calling him at 223-4861 or at the Farm Bureau office, 223-8554.

Flea Market Set June 19

The Women's Club of Prince of Peace Church in Lake Villa is getting the work completed for its third annual Flea Market in the church parking lot Saturday, June 19 (rain date: June 26).

The hours are from 9 a.m. to 4 p.m.

Rental spaces are available, so if you would like to have your garage sale at the flea market, call Shirley Kachurik at 356-8013

and she will send you a space application form.

A space rents for \$5 plus a small fee if you desire to rent a table. If you wish, you can bring your own table or sell from your station wagon. Mrs. Betty Rossi is in charge of serving grilled hamburgers, hot dogs, sweets and beverages.

At 11 a.m., there will be an auction. There is no admission or parking charges.

Good News

A New Mexico rancher was informed by a geological survey team that his ranch was actually located in Arizona. "That's great," he exclaimed, "I don't think I could have stood another one of those New Mexico winters."

NOT PHARE! CONSIDERED THE "FOOD OF THE GODS" IN ANCIENT EGYPT, MUSHROOMS COULD ONLY BE EATEN BY THE PHAROAH, WHO WAS THOUGHT TO BE DIVINE!

WEALTH OF HEALTH! DELICIOUS COOKED OR RAW, AS A TABLE TREAT OR SEASONER, CULTIVATED MUSHROOMS ARE A HEALTHFUL FOOD, CONTAINING VALUABLE NUTRIENTS, NO SATURATED FATS AND LESS THAN 100 CALORIES PER POUND!

KING HENRY II (left), played by Tom Hausman, angers Bruce Berger, who portrays Philip, King of France, in rehearsal for Saturday night's opening of "Lion in Winter" at Antioch's PM&L Theatre.

'Lion in Winter' Opens Saturday

A play about King Henry II, "Lion in Winter," opens Saturday and runs for the next two weekends, June 11, 12 and June 18, 19 at Antioch's PM&L Theatre. Curtain time is 8:30 p.m.

Tickets are \$3 for adults and \$1 for students. PM&L is at 877 Main St. The reservation number is 395-3055.

The technical aspects include innovative set design for nine scene changes. The set was designed and constructed by Bill Sershon.

Lighting is being set by Michael Kratz who has spent the last six months re-wiring old electrical facilities and installing a new fire prevention system in the light booth.

The set has been decorated by Delores Kratz, who did PM&L sets for "Prisoner of Second Avenue" and other productions.

The stage manager for "Lion in Winter" is Pat Sershon, the present treasurer of PM&L.

The cast include Tom Hausman as Henry II, Pat Jamison as Eleanor, Martha Davis as Alais, John Davis as Richard, Bob Junius as Geoffrey, Mark Kettner as John, and Bruce Berger as Philip, King of France.

The play, written by James

Goldman, deals with historic and fictional aspects of Henry's alliance with France and trying to choose his heir - the next King of England.

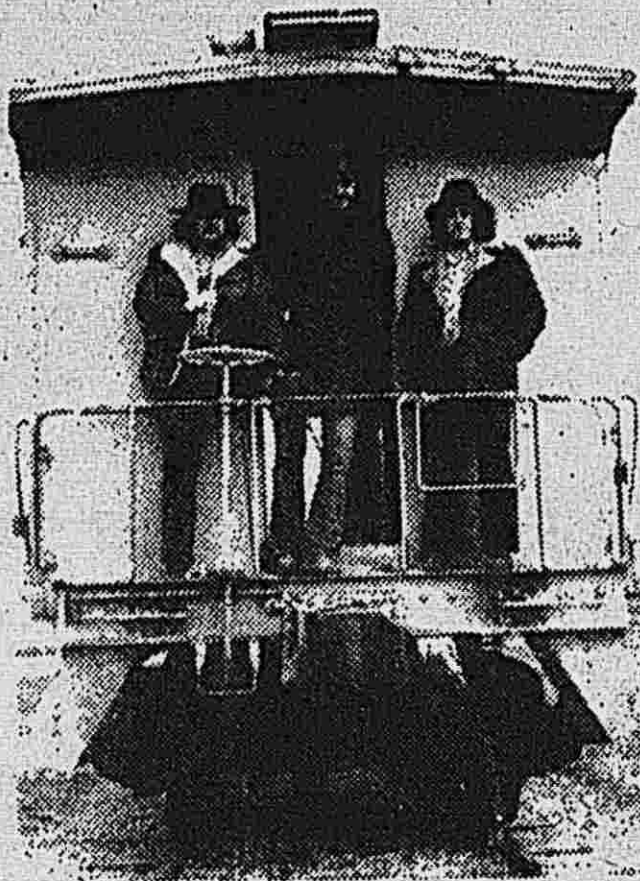

The world's heaviest "coin" is the Fe or stone discs from the Yap Islands in the Pacific, which can be as large as 12 feet in diameter—and a medium-sized one used to be worth one wife or an 18-foot canoe.

Astro-Analysis

By Sonia

ARIES [March 21-April 19] - Emphasis tends to be focused around home life and domestic activities. You may find yourself in the mood to redecorate your home or make other improvements.

TAURUS [April 20-May 20] - Take the time necessary to get your ideas across to those who you feel can help you now. People are more attuned to your thoughts and communications are excellent.

GEMINI [May 21-June 21] - Money can come to you quite unexpectedly, then again the reverse may occur. Set up a sound budget that you can live comfortable with.

CANCER [June 22-July 21] - Increased stamina gives you the courage to go after what you want; put your best foot forward and move with confidence. Planetary energy helps you meet challenges.

LEO [July 22-August 21] - Seeking seclusion helps you to see things in a clearer and more objective light. Decline social invitations and work on the things that are personally more important to you.

VIRGO [August 22-September 22] - A long cherished desire can be fulfilled; a wonderful week to be sociable so get out and make new friends. A week when old friends are nice to have around, too.

LIBRA [September 23-October 22] - Thoughts are more likely centered around your career and job now. This may prove a very fortunate week career-wise as you are in a position to receive credit for a job well done.

SCORPIO [October 23-November 21] - You may receive word from a distance about some future opportunity to travel. Communicate with relatives and friends who live out of town.

SAGGITARIUS [November 22-December 20] - You may have the restless urge to do away with the old way of doing things and venture into new activities. A great week to break away from old habits and get out of that rut.

CAPRICORN [December 21-January 20] - A week when a partner or other associates have the edge so sit back and wait your turn with patience. Not a week to bring up matters which require debate.

AQUARIUS [January 21-February 19] - Set aside this week to do a kind deed for others; serve co-workers cheerfully and without resentment as the groundwork is now being laid out for an easier time of it.

PISCES [February 20-March 20] - A lucky week in matters of the heart and romantic ventures. Others are far more receptive to your emotional needs so do express your feelings.

Sandra Winkowski Weds Joseph Carole

Sandra Winkowski wore an organdy gown with lace appliques when she walked down the aisle in St. Peter's Church, to become the bride of Joseph Carole of Antioch.

The former Miss Winkowski was preceded by her aunt, Nancy Lloyd, and maid of honor, Dee Dee Reza of Gurnee.

They were escorted by John Carole Jr., brother of the bridegroom, and Frank Harper of Lindenhurst, the best man. The Rev. Francis Johnson

officiated at the ceremony, uniting in marriage the children of Mr. and Mrs. Walter Winkowski of Gurnee and Mr. and Mrs. John Carole of Fox Lake.

After a reception in the Antioch Country Club, the couple drove to the Wagon Wheel Lodge in Rockton for a honeymoon.

They are making their home in Antioch.

Carole is employed at Stone Container Corp. in North Chicago.

NEW SEAL FOR COLLEGE - Robin Stoddard (right) displays her winning entry in the College of Lake County's Seal Contest. Entitled "Waters of Wisdom," the creation earned her a check for \$150 from CLC community relations director Monte Kloberdanz. The seal will be further embellished into its final art form by a professional graphic artist. Robin, of Wildwood, is a recent CLC graduate who plans to major in art at Northern Illinois University in September.

Wally and Dottie Daniels

Italians are compulsive builders. Their towns are masses of stone and marble, skillfully cut and fashioned. The abundance of the country's Romanesque and Gothic cathedrals is the result not of a religious but of an architectural and civic enthusiasm.

Bank's Bookkeeping Supervisor Dies

Shirley Wienke, bookkeeping supervisor of the First National Bank of Antioch, died Tuesday, May 25, at St. Catherine's Hospital in Kenosha. Miss Wienke died at the age of 28 following a year-long illness.

She graduated from Central High School, Salem, in June of 1965 and was employed by the State Bank of Antioch until 1970.

The First National Bank of Antioch had employed Miss Wienke in all areas of Book-

keeping since 1970. She was promoted to supervisor in the fall of 1972 and held that position until the time of her death.

FIRST FOREFATHER

The first flag of the colonists to have any resemblance to the present Stars and Stripes was the Grand Union flag, sometimes referred to as the "Congress Colors." It consisted of thirteen stripes, alternately red and white, representing the Thirteen Colonies, with a blue field in the upper left hand corner bearing the crosses of St. George and St. Andrew, signifying union with the mother country, according to the U.S. Marine Corps Reserve. This banner was first flown by the ships of the Colonial Fleet in the Delaware River in December, 1775.

CLC NEWS

The College of Lake County and the Waukegan office of the American Red Cross are providing a free cardio-pulmonary resuscitation course beginning tonight at the college.

The only charge is 25 cents for a Red Cross manual to be purchased during the first class.

Meeting each Wednesday from 7 to 10 p.m. until June 23, the class will be limited to 15 persons. For further information, call the CLC Community Services office, 223-6601, extension 350.

A BASIC, two-part workshop in Transactional Analysis is scheduled for June 10 and 17 at the College of Lake County from 9 a.m. to 3 p.m. each day.

The workshop is designed to introduce participants to this innovative way of understanding human behavior. Emphasis will be placed on dealings with self and others.

For further details or to register by phone, persons can call CLC Women's Program coordinator Diana Mrotek at the college, 223-6601, extension 352. Workshop fee is \$12.

Technisound Granted 41 Patent Claims

An Antioch firm, Technisound, Inc., at 60 E. Ida St., has been awarded 41 patent claims on its super acoustic velocity loudspeaker.

Technisound is now conducting a clearance sale of discontinued loudspeaker models, auto and camper loudspeakers, and high performance loudspeakers.

The firm's showroom, at 60 E. Ida, is across from Quaker Industries and was formerly known as Gefco Manufacturing Co.

The super acoustic velocity system overcomes performance limitations that have

prevented deep undistorted bass from being produced in home-type loudspeakers.

The system for generating low tones such as those produced by a 32-foot organ pipe is similar to the way in which a nuclear reactor works to produce atomic power. A large body of air is pushed by the back of a loudspeaker into a very small opening. Forcing air like a fireplace bellows into a small space causes it to move at tremendous velocity. When this high velocity air strikes another loudspeaker diaphragm it develops low tones that have never before been produced in home-type loudspeakers.

Herbert Gefvert, president of Technisound, said the company will be in full production by mid-summer. Large contracts from companies in the U.S.A., Hong Kong, Germany, France, Japan, Australia, New Zealand and England have already been received, he said. When full production is reached Technisound is expected to employ 300 workers.

Cancer Society Offers Clinic

A fee pap, breast, pelvic and colon clinic is scheduled next Tuesday in Waukegan.

The American Cancer Society, Lake County Unit, is sponsoring the clinic at the Barwell Settlement, 201 Liberty St. It is by appointment only. Interested persons can call 336-9293.

Alice Galbraith, public information chairman, said:

"An increasing number of people are aware of cancer and how to help protect themselves against it. However, unless people use their knowledge and take advantage of what they know, it is useless. Uterine cancer could be dramatically reduced as a cause of death if every adult woman had a pap test with the annual checkup. There has been a 65 percent decrease in deaths from uterine cancer during the last 40 years."

FOR BEST RESULTS

News releases that are typed, and either double or triple-spaced, make editing easier and save us the time it takes to retype them. Thus, they have a better chance of appearing in the newspaper. (Thanks for any contribution you can make.)

ANTIOCH FIRE FIGHTERS were among 15 departments from Lake and McHenry counties participating in a burn-down at Chain o' Lakes state park. Nearly 100 members of the Lake County Firemen's association took part. Antioch's chief, Tod Mapletorpe, said: "This is the best way to train men. If they make a mistake in a practice burn-down, it really doesn't matter. It's good training for recruits and new firefighters. They covered ventilation, forceable entry, rescue, fire attack and overhaul." (Paul Mapletorpe photo.)

Happenings Around The Community

A MEETING of the Antioch chapter of the American Association for Retired Persons

will be held next Tuesday in the lower level of St. Peter's church.

Tickets will be sold for the June 30 party in Waukegan. Also on the agenda is installation of officers.

A spokesman for the group said it is important that

members attend both meetings on the second and fourth Tuesdays of this month.

There will be no meetings in July or August, but the senior citizens will begin their gatherings again in September.

THE PRAYER groups of northern Illinois and southern Wisconsin will hold a "Day of Renewal" at St. Benedict's Abbey, just north of Antioch, Sunday.

The speaker will be Ron Lee from the Tolentine Center at Olympia Fields.

The day's schedule includes: 10:30 a.m. - Mass with the Benedictine community.

11:30 to 12:45 - Registration.

12 Noon - Pot-Luck Dinner

(Bring a dish).

12:45 to 1:45 p.m. - Singing and sharing.

1:45 p.m. - Speaker: Ron Lee, "The Healing Power of Jesus Christ Today."

2:45 to 3:45 p.m. - Break - Bookstore, vespers with monastic community, fellowship, in.

Super-Modified Series Set Up By Toft, Sill

A joint agreement has been reached between three Lake County speedway promoters to establish a weekly super-modified stock car racing series.

Ray Toft and Joe Pechdlis of Toft Auto Racing and Gordon Sill of Lake County Racing have established the series to be presented at their tracks.

Toft Auto Racing promotes stock car and drag racing at the Lake Geneva Raceway and Sill promotes late model stock car racing at the Waukegan Speedway. The super-modifieds have

been racing on Sunday nights at Lake Geneva but starting Friday, June 4, will switch to Friday nights. Waukegan Speedway has been presenting late model stock cars on both Saturday and Sunday nights but will now race the super-modifieds on Sunday nights, starting June 6.

A season point fund, based on \$100 per track per race night completed, will be paid to drivers who race at least 75 percent of the total races at the two tracks. Points earned at the two tracks will be accumulated

Speedway Plans More Thrills

The thrill of super-modified stock car racing will return to its traditional Sunday night position at the Waukegan Speedway starting this weekend.

Late model stock cars, which have been running both Saturdays and Sundays at Waukegan since 1969, will race on Saturdays and holiday dates only.

"It will give fans two different racing cards on Saturday and Sunday," explained Waukegan Promoter Gordon Sill. "We ran this format very successfully in the '60s and with Lake Geneva switching to Friday nights with their modifieds, this looked like the thing to do."

Lake Geneva and Waukegan, both quarter-mile paved tracks, have set up a modified series, complete with a point fund.

Also in the future for Waukegan will be a new class known as late model modifieds which will combine the best points of late model and modified racing in a special budget division. Several cars are already under construction for that class which will run some races later this summer. Rules are available at the track.

Hobby stock car racing will also be on the card with both the Saturday late model races and Sunday's modified events. Race time is 8 p.m. with time trials 45 minutes earlier.

Another special night of racing, Friday July 2, will feature the United Auto Racing Association (UARA) midgets at Waukegan. These will be the first midget races at Waukegan in six years.

The Waukegan track is on Washington St., three miles east

Please turn to page 17

toward the series championship called "SMAC" - Super-Modified Asphalt Championship.

Super-modifieds have not raced at Waukegan Speedway since 1970 but did race weekly there in previous years. The addition of this race night for the open wheel super-modifieds brings to three the number of nights this type of racing will be presented in the area. Each Saturday night the super-modifieds race at the Kenosha County Speedway in Wilmot. That track, also promoted by Toft Auto Racing, is a third-mile clay oval and will not be a part of the SMAC series.

The Lake Geneva Raceway will present All-American late model sportsman stock car racing on Sunday nights. Both tracks feature late model stock cars on Saturday nights.

The UARA midget autos were rained out Friday night at Lake Geneva and have been tentatively rescheduled for Monday, July 5.

The Wilmot races also were rained out last Saturday.

Whatsoever a man soweth, that shall he also reap.

MIKE JONES, SPRINTER FROM ANTIOCH

Antioch Sprinter Stars in College

BLOOMINGTON -- Coach Bob Keck sees the best getting better for Illinois Wesleyan University's track team.

The best performer for the Titans the past season, both by statistics and his teammates' votes, was freshman sprinter Mike Jones of Antioch.

Jones led the squad in scoring with 109 1/4 points, more than 40 ahead of his nearest pursuer, and was elected most valuable squad member by his teammates.

"Mike has great potential. He's a good competitor with a positive attitude and could get down to 9.6 in the 100 and 21.2 or 21.3 in the 220 if he gets on a nine or 10-month work program," said Keck.

Jones had best times of 9.8 and 22.0 the past season. In 1975, as an Antioch senior, he was district champion with 9.9 in the 100 and 22.4 in the 220.

In eight outdoor meets for Wesleyan, he won the 100 seven times and the 220 six times. He won the 100 in the College Conference of Illinois and Wisconsin meet and was barely nosed out for first in the 220.

Jones also anchored the 440-yard relay team which finished second, again missing first by an eyelash in the conference meet. The relay sprinters set the school record of 42.8 and Jones also picked up points in the long jump.

"Mike is a strong finisher who maintains his cool if he gets behind. He can improve on his start. At the 75-yard mark in the 100 at the conference meet, he was sixth out of eight runners but came on to win. I think the 220 could wind up being his best race," Coach Keck said.

Jones is majoring in mathematics in secondary education.

13-Mile Run Set Saturday

The third annual "Lake County 1/2 Marathon" is scheduled Saturday. Registration is at 7 a.m. in building 6 at the College of Lake County. The race starts at 8 a.m.

The 13-mile run begins and ends on the college's Grayslake campus.

Phil Lorene, Waukegan track coach, and Larry Whittier, CLC cross-country coach, are in charge of the event.

Whittier encourages all individuals interested in running

to participate, regardless of age.

"Last year, 176 persons entered and finished the marathon," he said. "Hopefully, we will have another fine day, weather-wise, and participants will enjoy a real fun experience in running."

Entry forms can be obtained from Lorene or Whittier, or at the race-site Saturday. For further information persons can call Whittier at the college, 223-6601, extension 475. The entry fee is \$2.

Waukegan

Continued from page 16

of the new Marriot Great America Theme Park.

MIKE SIMON of Waukegan won the only feature race of the Memorial Day weekend at the Speedway by passing teammate

Jim Taylor with eight laps to go Monday night.

Monday's races, which drew 54 hobby stock cars, 18 powder puffers, 14 "Beat-Your-Neighbor" entries and six demo cars, were originally scheduled for Friday night, but postponed due to rain.

Saturday and Sunday's late

Golf League Set To Open

The State Bank of Antioch's golf league for women will open its season next Tuesday at Antioch Country Club.

Golfers will gather at 8 a.m. for coffee and rolls before the 8:45 a.m. tee-off times begin.

DEPOLLUTE

Don't use colored facial tissues, paper towels or toilet paper. The paper dissolves properly in water, but the dye lingers on.

model super stock car programs were also cancelled by the weather. The late models will be back in Saturday night with a 30-lap feature.

Promoter Sill announced that motorcycle moto-cross racing will begin on Friday nights at Waukegan starting June 11. One break in that action will be July 2nd when the midget autos race.

Comparison Shop For Energy Savings

One good way to conserve energy is to shop carefully when replacing old appliances. Look for labels that tell the wattage of a new appliance or estimate what its use of energy will be over a specified time. Then compare these figures with those for other brands or models.

Many manufacturers of room air conditioners now rate their models in terms of energy efficiency standards set by the U.S. Department of Commerce. This Energy Efficiency Rating (EER) number ranges up to 12, and the higher the number, the more efficient the model.

Worried sick about bills?

Unpaid bills make it tough to rest and recover from an illness or injury.

That's why most people have insurance that helps pay their medical bills. But what about the other bills that pile up when you're out of work—like the mortgage and utilities?

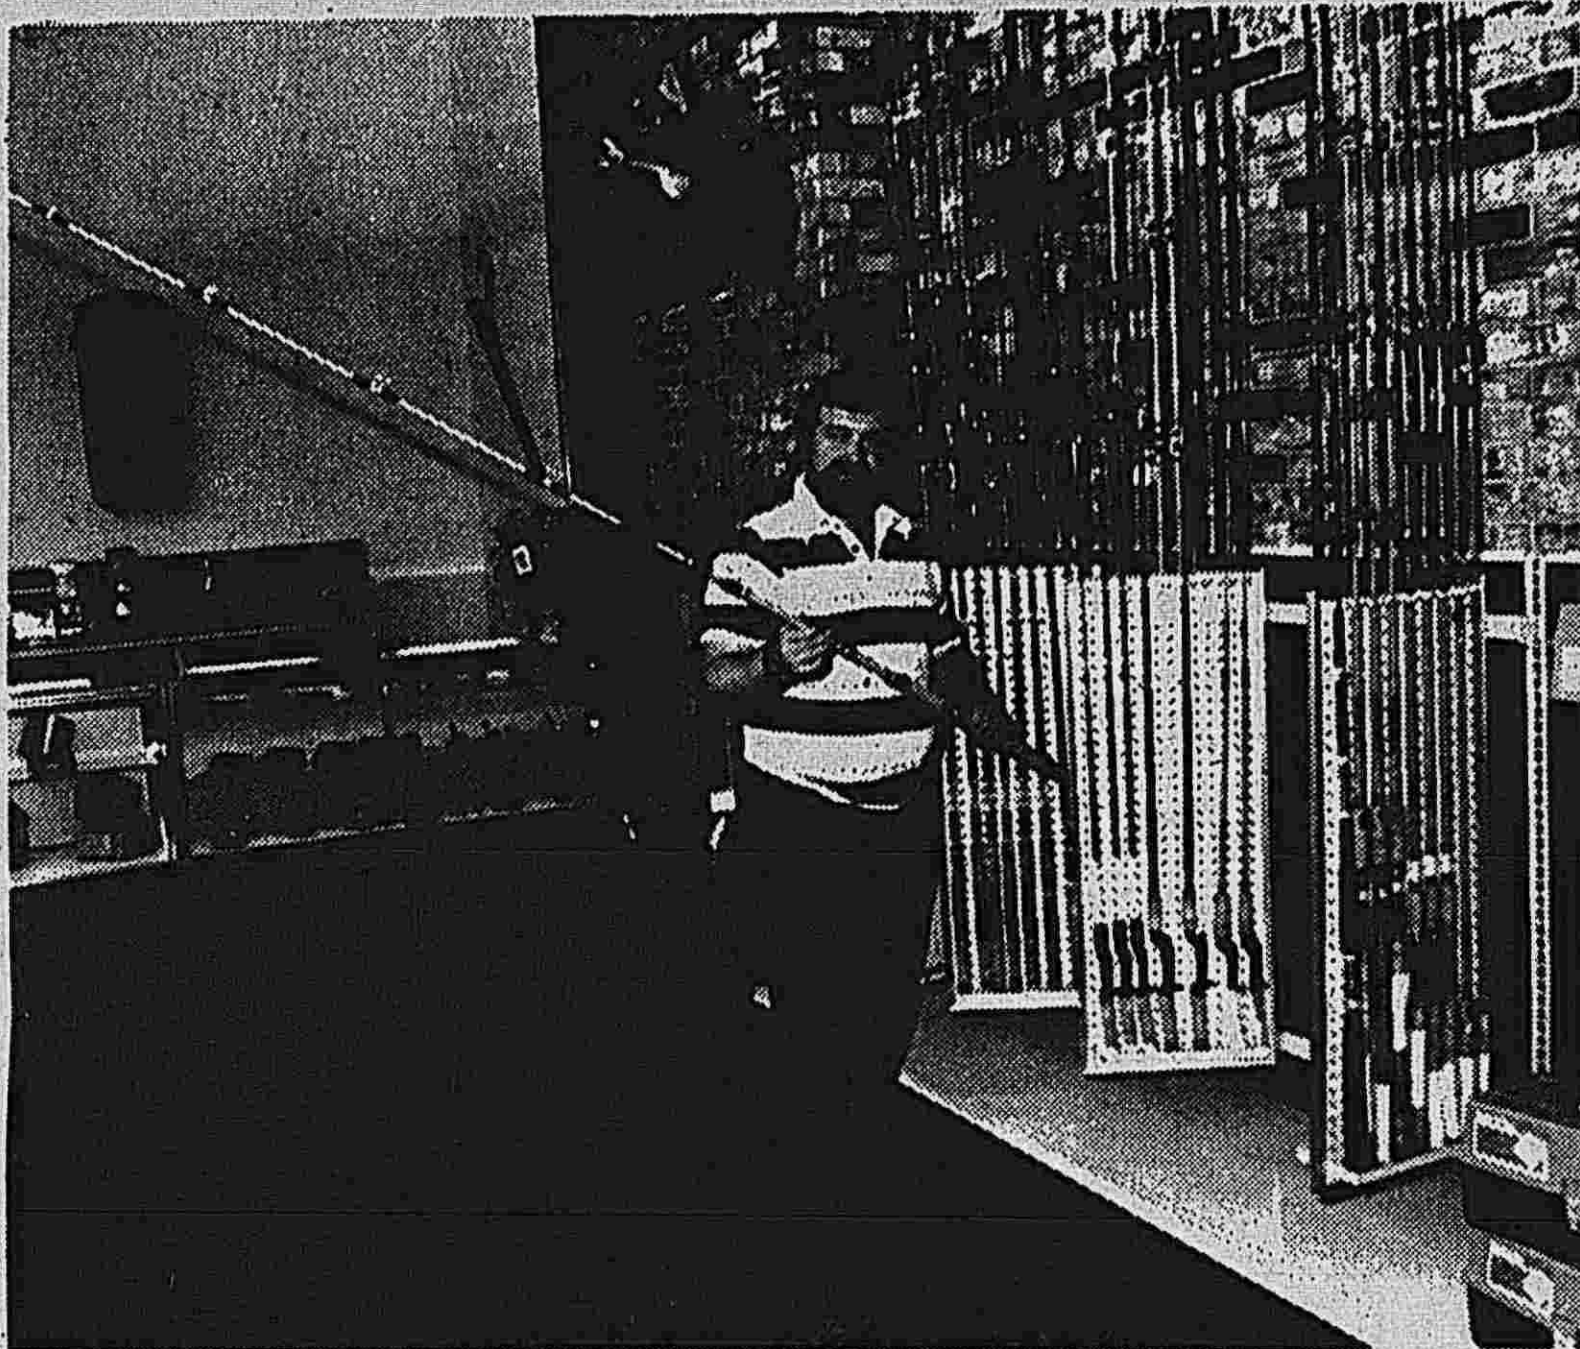

When you can't work, keep a monthly check coming in with disability income insurance from Country Life.

Ask your Country Companies agent about the best plan for you.

The Country Companies. We're a little different than most insurance people.*

for Wally Phillips, and gave him this "news scoop."

A flying saucer had just landed in Chicago's Grant Park and a huge, furry creature stepped out. The beast had a hypodermic needle growing out of its head. Police decided it was nothing but a furry with a syringe on top.

Collins acknowledged that was the worst joke of recent months and then retorted with his own:

About the guy who went to a pet shop to buy a canary. The merchant offered him a bird with only one leg.

"Why in the world would I buy a one-legged canary?" the shopper asked.

"What do you want?" the pet shop owner shrugged. "A singer or a dancer?"

YOU'VE HEARD a lot about presidential candidate Jimmy Carter lately, but how much do we know about him?

One organization, which is

very conservative, is claiming that Carter is "surrounded by Nelson Rockefeller people and, of course, this is why the newspapers give Carter such good publicity."

An interesting view.

A NIGHT of fun coming up in Antioch on Saturday, June 26...

The 63rd annual Antioch Fire Department dance will be held from 9 p.m. to 1 a.m. at the fire station, with music by George Olisar and his orchestra.

Boy, that's always a blast. People who have attended in past years are always swapping humorous memories of the Firemen's dances.

Sequoits Win Baseball Crown

FIRST TITLE SINCE 1954

Antioch's Sequoits won their first Northwest Suburban Conference baseball championship in 22 years when they finished league play with a 14-4 record last week.

Coach Bill Seemann's high school players wrapped up the title with a 4-2 victory over Stevenson here.

Warren finished second in the conference with a 13-5 record.

Junior righthander Keith Evanson pitched for Antioch in the final game and held Stevenson scoreless during the last five innings.

AFTER THE game, Seemann arranged for his triumphant

team to be paraded through town on village fire trucks.

It was quite a comeback for the Sequoits, who finished last in the league last year with a 3-15 record.

Mitch Witt's double and Terry O'Brien's two-run single gave Antioch a first-inning 2-0 lead over Stevenson. Antioch scored additional runs in the second and fifth frames.

Seemann said the hiring of Tom Baba as assistant coach helped turn Antioch's baseball fortunes around this season.

He also praised the outstanding group of athletes that gave Antioch its championship. Many of the boys also played on the school's second-place football and basketball teams earlier in the school year.

Witt and team captain Tom McAvoy wound up with batting averages of .422 and .390 respectively. Catcher Jon Bodin hit .293 and gave the team power in the clean-up spot.

Pitchers Evanson and Dave Zickus will be back next year,

along with some starters from this year's team and a strong group coming up from the sophomore ranks.

ANTIOCH WON its last clear conference title in 1954. The 1954 team tied with Grayslake when both had 10-4 records.

Dan Vos played on this year's Antioch team and his dad, Phil, pitched and played outfield for the 1954 team.

Phil kidded: "Sure we could have beaten this year's team, especially

with me out there on the mound." (He had a 4-2 record as a pitcher.)

"But my son probably wouldn't agree with that observation," Phil added.

GRAYSLAKE HAD a pitcher in 1954 named Jay Hook, who later starred for the Cincinnati Reds. Antioch beat Hook once, 3-2, but lost to him in their other meeting.

Phil Vos recalls that the 1954 team included Larry Hostetter, now his brother-in-law, who played second base.

A southpaw pitcher, Mark Verke, had a 6-2 record; Warren (Butch) Brownlee "was a good third baseman," Vos said, and Mike Haviland played shortstop.

Tom McGreal was the first baseman and Johnny Wells, who now works at the high school, played in the outfield. Roy Ballwanz was another outfielder, and Vos said that Jack (Lou) Lawrence "was a good catcher."

Hostetter, Brownlee and Verke all hit over .300, he recalled.

2 CHAMPS IN FAMILY -- Dan Vos (left) was a member of this year's conference championship baseball team at Antioch High, and his dad, Phil (center) was on the Antioch team when it won its last title in 1954. They posed with Bill Seemann, who coached the 1976 champions.

INSPIRATION - That helps make a championship team. And maybe bat-girls inspire the players more than the traditional batboys. Kathy Moran was one of the bat-girls for this year's Antioch High School team. (Paul Mapletorpe photo.)

Two of the Seven Wonders of the World, The Hanging Gardens of Babylon and The Great Mausoleum at Halicarnassus, were constructed at the request of women.

The Mausoleum was built as a tribute to Mausolos, the ruler of Caria, by his wife Artemisia. The Hanging Gardens were the work of Nebuchadnezzar II for one of his wives.

• World-famed stage actress Sarah Bernhardt (1845-1923) had an artificial leg.

Youth Baseball Leagues Begin

Antioch's Babe Ruth and Minor League baseball programs will begin the 1976 season Saturday.

Games will be played at the high school and Upper Grade School fields.

Antioch's Little Leaguers were scheduled to resume their schedule last night. Tonight (Wednesday) the Cardinals play the Dodgers at 6 o'clock and the Astros play the Cubs at 7:30. Games also are scheduled on Thursday and Friday evenings.

Thomas Jefferson was our first gourmet president. One of his innovations was "French fries" to serve with his beefsteak.

ENERGY TALKS

By Warren B. Davis
Director, Energy Economics
Gulf Oil Corporation

"Is it true that the gasoline shortage was contrived by the oil companies to drive independent marketers out of business?"

"No, the shortage is real and not contrived. It has occurred because our refineries are running at capacity and there is no surplus capacity anymore. In the last two decades independent marketers have prospered by buying surplus product at bargain prices. When there's no surplus product, it makes life very difficult for them. I am confident that my company has not entered into any conspiracy to harass independent marketers."

JUNIOR PITCHER Keith Evanson worked the entire game as Antioch's Sequoits wrapped up the conference baseball title last week. Keith finished the season with a 7-1 record and his teammates elected him their "most valuable player."

ACHS Girls Enjoy Success in Softball

The Antioch girls softball team traveled to Mundelein last week and came away with a double victory.

The varsity game was scoreless after the first inning but then the Antioch girls sent eight runners across the plate to put them on the way to a 25-16 victory. Chris Wiczorek was the top hitter with three hits and Bonnie Pottala was two for two.

The junior varsity swamped Mundelein 17-2 behind the two-hit pitching of Pam Parker. Kim Plotz paced the team with a "3 for 3" performance. The game was never in doubt as Antioch took an 8 to 0 lead after two innings and coasted to victory.

The girls finished their season by splitting two decisions with Warren. The Warren varsity was undefeated going into the game and kept its string intact with a 19-11 victory. Early mistakes by Antioch put the girls behind and they were never able to catch up.

Kim Case cleared the bases in the first inning with a grand slam home run.

The junior varsity saved the day with a 12-1 victory. The game was close for the first two innings but two strong scoring innings gave Antioch a 10-run lead which held up.

Monika Lucas and Lisa Haling were "two for three" and played well in the outfield. The JV's played a strong defensive game which gave them second place in conference. The varsity was 5-3 in the conference for a third place finish.

NAMES

RAYMOND A. RATHMANN, of Antioch, celebrated his 30-year service anniversary with Illinois Bell on Tuesday.

Mr. Rathmann, who lives at 55 Maplewood is a communications maintenance man at 531 Lake St. He holds memberships with the Sequoia Campers Club, Antioch American Legion Post, and the Telephone Pioneers of America.

FOUR OF THE STARS of Antioch High's conference championship baseball team were catcher Jon Bodin, voted "most spirited player;" outfielder Terry O'Brien, "most improved;" junior pitcher Keith Evanson, "most valuable player" with a 7-1 record, and second baseman Tom McAvoy, the team captain.

NAMES IN THE NEWS

ALBERT BRUCE Bucar of Antioch received a bachelor of arts degree in psychology May 23 from Wartburg College in Waverly, Ia.

He is the son of Dr. and Mrs. Albert Bucar of 542 Winsor Drive. The Bucars and their son Jim attended the graduation ceremonies, in which 233 students received degrees.

ROBERT JOHNSON and **Deborah Schroeder**, both of the Antioch area, graduated from Gateway Technical Institute in a combined class from the campuses at Elkhorn, Kenosha and Racine, which numbered 795 persons.

Graduates from the Trevor area included Donald Happ, Timothy Lazzare, and Laura Schmidt.

MARTIN McCONAHAY, of Antioch, a senior history major at Bradley University, recently read a paper at the regional conference of Phi Alpha Theta, the international honorary society for history students.

Martin, a senior history major at Bradley, read a paper called: "Turner and Adams: A Case for Reconciliation of the Frontier Theses and Germ Theory of American Historical Development."

The conference in Chicago, attracted history students from throughout the state.

Martin is a graduate of Antioch High School.

THE ILLINOIS Wesleyan University chapter of Alpha Tau Delta recently initiated 31 new

members, including Barbara J. Dodd of Rt. 5, Antioch.

Illinois Wesleyan's chapter of the national professional fraternity for women in nursing was established in 1965.

TWO ANTIOCH students have been honored by the Dean at Illinois State University, at Normal-Bloomington, for earning straight A's. They are Kirk Moran of 806 Rinear Rd. and William Whitehouse of 289 Chestnut.

RICHARD PLOTZ of Antioch received a bachelor of science degree last week during Millikin University's 73rd annual commencement exercises in Fairview Park in Decatur.

Along the way with ANNIE MAE

THE MOST beautiful day of the year, 70 degrees and sunshine, helped make last Wednesday's spring golf and tennis outing of the Antioch Lions Club a real success.

The second annual event was held at Antioch Country Club and Cliff Houghton won the golf competition with a 75. We hear Jim Fields had a 78. Both will be in the low 70s often as the season progresses ... so will Jim's brother, Jack.

Chuck Cermak won the tennis competition and we hear, as a result, he might not be allowed to be tournament director next year.

Ray Scarpelli and Roger Broders, tied for second in tennis, and Pres Reckers was third.

A friend of Mr. Scarpelli's pointed out to us that Ray finished far ahead of a prominent Antioch attorney who

allegedly had been claiming he was the better of the two players.

Mike and Ann Jones have moved here from Chicago and are operating the Sportsman's Resort, formerly known as Johnson's Petite Lake Resort.

Sportsman's Resort is on the north shore of Petite Lake and is catering to fishermen and other sportsmen.

"We operate our own fishing contest," Mike said, "and we will be featuring home-cooked meals on the weekends."

Boats, motors and rooms are available to sportsmen. Discount rates are available to members of the "Sportsman's Club," a non-profit Illinois corporation.

Mike and Ann have five children, ranging in age from 4 to 18. They will be attending Grass Lake School and Antioch High School next fall. (They are

not related to the 19-year-old Mike Jones, Antioch track star, who is featured elsewhere in today's paper.)

The Joneses have purchased the former Dunn residence, overlooking Bluff Lake. After the Duns passed away, the home was owned in trust by their daughter, the famous actress Jean Arthur.

Drop in at Sportsman's Resort and shake hands with Mike's grizzly bear.

NICE TO see Harrison Brown

back in town. The popular high school teacher, who retired a little more than a year ago, wintered at his home in Phoenix, Ariz. Plans to spend the summer in Antioch, but says he is hoping to sell his house here.

Enjoy all the sunshine you can get, Harrison, but don't forget that you have a multitude of friends in Antioch who like to see you from time to time.

PLEASE MARK Saturday, June 19, on your calendar. The Little League's annual pancake breakfast will be held at the Methodist Church. We'll have more information on the event in upcoming issues.

Congressman Robert McClory reports that a recent survey found that the 13th Congressional District, which includes Antioch, has more bicentennial communities than any other district in the United States.

"Real live nephews of their Uncle Sam" were Vern Thelen, "Missouri" Cunningham and Tom Santino, who gave accommodations to the May 2 wagon train's riders and horses.

"Yankee Sweethearts" were Carolyn Blanchette, Louise

Johnson, Ricky Apostol and Leona Peterson, who helped staff the Antioch booth at the All-Lake County Bicentennial Fair.

And the best Lincoln-dressed Yankee mayor at the fairgrounds was Mayor Bob Wilton.

Antioch Bicentennial Belt Buckles can be purchased for \$5 in stores and banks.

CONSTRUCTION OF the Antioch "Horizons '76" Saw Mill project is awaiting confirmation of the land deed from "Missouri" Cunningham, who is donating the site and will be excavating for the building and the mill pond.

Antioch Jaycees have volunteered the necessary manpower to take down Joe Patrovsky's barn for the needed timber and siding. Although the mill structure internally will be of new construction, it will be hidden by older woods to produce that necessary weathered look.

THE COMMITTEE of Warren Polley, Gus Costoff and Terry Folbrink have met to set up ticket sales, publicity and posters for the Bicentennial Musical Variety Show to be held

OBITUARIES

Mrs. Edna Radke, Lifelong Resident, Dies

Mrs. Edna M. Radke, 66, of 1040 Victoria St., Antioch, passed away on Monday at Victory Memorial hospital from a heart ailment.

She was born on Dec. 16, 1909, in Antioch, the daughter of William and Ada Verrier. She had resided in Antioch all of her life.

Mrs. Radke was a member of St. Ignatius Episcopal Church and a past president of the Antioch Woman's Club. She was secretary at Antioch Community High School for 15 years and later operated the "Little Gallery Card Shop" in Antioch for six years.

She is survived by her husband, Maurice "Cap" Radke, one son, Richard (Louise) Radke (Antioch); one sister, Mrs. Bertha Johnson (Waukegan), and two grandchildren.

She was preceded in death by a brother, Arthur Verrier.

Funeral services will be held at 10 a.m. Wednesday at St. Ignatius Episcopal Church. Rev. Thordore Bessett will officiate. Interment will be in Hillside Cemetery.

Friends began calling at the Strang Funeral Home in Antioch after 3 p.m. Tuesday. Memorials may be given to St. Ignatius Church or the Antioch Rescue Squad in memory of Mrs. Radke.

Roy Swenson, Camp Lake, Dies at 82

Mr. Roy A. Swenson, 82, of Camp Lake, Wis., passed away on Sunday at Kenosha Memorial Hospital.

He was born Aug. 6, 1893, in Kenosha, the son of the late Oscar and Anna Swenson.

He moved to Trevor in 1912, then operated a farm at Spring Grove for several years, and has resided in Camp Lake since 1920.

He married Evelyn Orvis on Nov. 27, 1919, in Camp Lake. Survivors are his wife, Evelyn, two sons, one sister, and one brother, Albert Swenson of Antioch.

Friends began calling at the Strang Funeral Home in Antioch from 3 p.m. to 9 p.m. on Tuesday and from 1 p.m. until time of services at 2 p.m. Wednesday at the Silver Lake Community Baptist Church.

ABC's of Travel

Domestic and International

By BARB CORBIN

"How to survive jet lag in 10 easy lessons" ... Dysrhythmia, the medical term used to describe the real, potential and imaginary upsets of the body's biological clocks (caused by moving at jet speeds across time zones) is as common an ailment to international travelers as "turista."

Just like the dreaded tummy disrupter, which frequently can be avoided by sensible eating and drinking practices, dysrhythmia can also easily be conquered, if not controlled.

I do not guarantee that one can become an indefatigable globetrotter overnight by following these tips but they will be of help for healthy jet-age travel:

1. Avoid a last-minute dash to the airport.
2. Don't overpack; this can lead to fatigue in being forced to carry your own luggage when porters are not available.
3. Wear loose-fitting clothes; this helps your circulation.
4. Try not to overindulge in food and spirits, and smoking in-flight.
5. All of the above can increase the heart beat.
6. Try to sleep as much as possible in-flight. This is the wisest way to combat time-zone fatigue.
7. Drink lots of water in-flight. This will prevent dehydration, a common happening in the rarefied air of a jet aircraft's cabin.
8. Freshen up before arrival. Brush teeth and splash water on face.
9. Take good reading mater-

Norse mythology considers the morning star the frozen toe of a sorceress's child!

ial. If one cannot sleep, the time will pass quickly if reading.

10. Don't overexert the body upon arrival. Don't schedule too many activities at first.

REMEMBER, dysrhythmia is a temporary condition, and in some cases it is psychosomatic.

Like mechanical clocks, biological clocks are adjustable. Both require a bit of personal attention to keep them functioning smoothly.

"Wind your biological clocks by resting frequently throughout your travels," is my personal advice. The last three years of my career with the

BARB CORBIN

airlines, I was crossing the dateline six to 10 times a month. As a result, one soon learns how to take care of the biological clock.

Kennel Club Meets Friday

The Antioch Kennel Club, has elected new officers and directors.

The one-year terms are held by: President, Patricia Lombardi of Richmond; vice-president, Rita Long of Wauconda; treasurer, Robert Glover of Antioch; and secretary, Pam Sim of Gurnee.

The board of directors, includes Matthew Glover of Antioch, Kim Isaacson of Grayslake, Maureen Rooker of Antioch, Dick Woods of Ingleside, Charles Zahn of Antioch, and the club officers.

Training lessons are available to all members of the club. Lessons will be available soon to the public for all breeds on

Thursday evenings.

At the next meeting this Friday, there will be an American Kennel Club film presentation, "Moving in the Ring." The meeting is at the First National Bank of Antioch, in the Community Room at 8 p.m. Anyone interested is welcome.

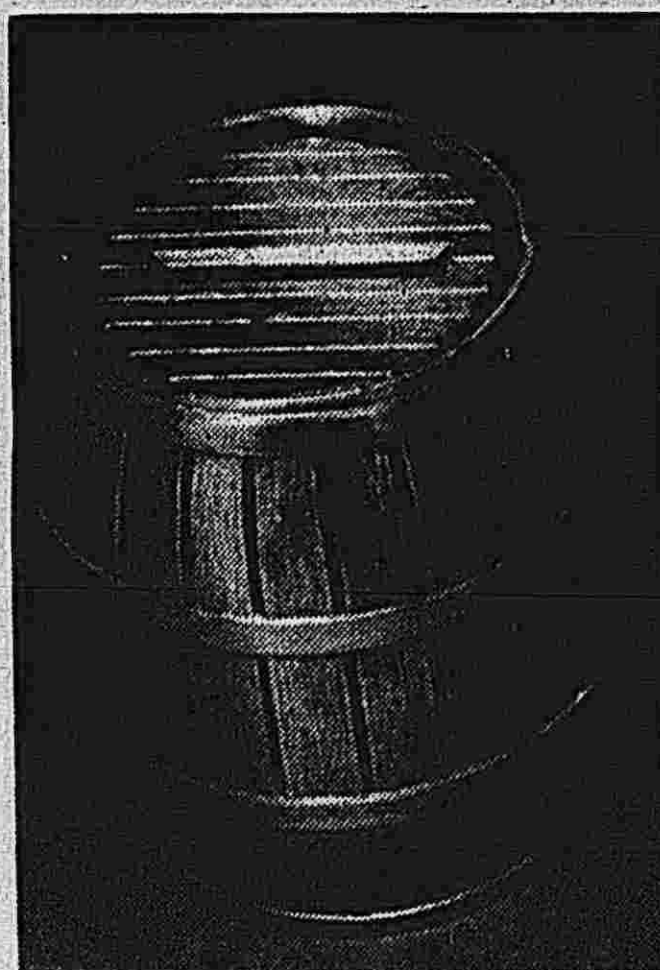

Perform a death-defying act.

Exercise regularly.
